Offer Letter

To,
Archana Kumari
Gurudwara Road, Purnea
Bihar - 854301

Dear Archana,

We are pleased to offer you the position of **Full Stack Developer** at **Comestro TechLabs Pvt. Ltd.** Your skills, experience, and passion for software development make you an excellent fit for our team, and we are excited to welcome you aboard.

1. Position:

You will be appointed as a **Full Stack Developer**, reporting directly to the Project Manager/Team Lead.

2. Start Date:

Your employment is scheduled to commence on **16th October 2024**.

3. Employment Type:

This is a **full-time position** at our organization.

4. Compensation:

You will receive a **Monthly Salary of ₹33,000**, amounting to an **Annual CTC of ₹3,96,000**. Your compensation package has been structured to reflect your skills, responsibilities, and the value you bring to the organization. The CTC includes all applicable benefits and allowances as per company policy and will be disbursed in accordance with the monthly payroll cycle.

5. Probation Period:

You will be on a **probation period of 3 months**, during which your performance will be evaluated. Confirmation of employment will be based on a satisfactory review.

6. Job Responsibilities:

As a **Full Stack Developer**, your responsibilities will include, but are not limited to:

Frontend (React.js):

- Developing responsive and dynamic user interfaces using **React.js**.

- Implementing efficient state management with **Redux Toolkit**.
- Optimizing UI performance for seamless user experiences.
- Debugging, testing, and resolving frontend issues.
- Managing API responses and integrating them effectively.

Backend (Python & Django):

- Developing scalable backend applications using **Python and Django**.
- Building REST APIs and ensuring secure, optimized endpoints.
- Managing database models, migrations, and queries.
- Integrating backend services with frontend components.
- Ensuring high performance and responsiveness of server-side logic.

Collaboration:

- Coordinating with Backend, Frontend, and UI/UX teams to deliver complete and high-quality project modules.

7. Work Location:

Your designated workplace will be **Purnea (Bihar)**, with flexibility as per company policy.

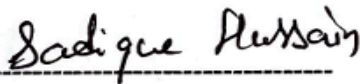

8. Terms & Conditions:

You agree to abide by all company policies, confidentiality obligations, and professional standards during your employment.

Warm regards,

Managing Director

Comestro TechLabs Pvt. Ltd.
